Group 6 #

Lab Wednesday, (Lab 2-4)

Student Name	ID	Distribution of Tasks
Renad Alqahtani	445203009	Site map + Wireframes
Jana Aldakheel	445201215	Goal+ target Audience+ wireframes
Hatun Alothman	445201400	Half of the wireframes +Editing the word file
Bateel Almojel	445204148	Competitive analysis +wireframes
Amani Bin oun	445201317	Functionalities+ Extra Functionalities+ wireframes

Note: Each team member should clarify the tasks she accomplished. It is not acceptable to write that all tasks have been completed by all team members!

Site Goal:

The goal of the website is to create an Arabic platform that combines organizing esports tournaments with providing training opportunities for players. The platform helps gamers register for tournaments and join teams, while also enabling trainees to book training sessions to improve their skills, ultimately enriching the esports experience in the Arab world.

Site Audience:

1. Tournament Players:

Gamers who to register and compete in eSports

2. Trainees:

Gamers who want to register for training sessions to improve their skills

3. Developers:

Developers who want to join our team.

Functionalities:

1- Register for Tournaments

Allow the customer to view all available tournaments, read their descriptions, and register to participate in them. This functionality helps players easily join competitions and engage with the esports community.

2- Book Training Sessions

Enable the customer to request and book training sessions with professional coaches. This functionality provides users with the opportunity to improve their gaming skills through expert guidance.

3- Join a Team

Allow the customer to join a team by submitting their name and email, and selecting the tournament they would like to participate in. This functionality makes it easier for players to collaborate and compete as part of a group.

Extra Functionalities:

1- Set a Reminder Before the Tournament or Training

Allow the customer to select an option in the registration form to receive a reminder one day before the tournament or training session. The reminder will be sent via email to ensure the user does not miss their event.

2- Add Services to Bookmark

Enable the customer to save any service (tournament, training session, or team) by clicking the bookmark icon next to its description. A "Bookmark" section at the top of the page will display all saved services for quick access.

3- Share Services with Others

Allows the user to share any service via the link icon next to the service. This feature provides a direct link that can be copied and shared across social media platforms, making it easy to invite friends or team members.

Competitive Analysis:

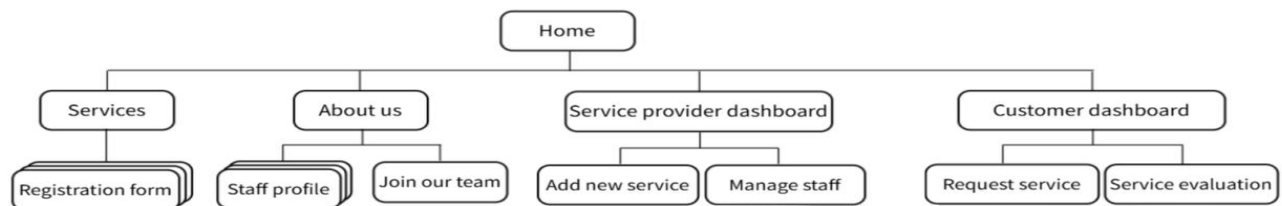

The evaluation is a simple check Y/N; (Y=Yes, N=No) or a number from 1 to 10; (1 is the worst value, 10 is the best value).

Criteria		Site 1 ((FACEIT https://www.faceit.com/en))	Site 2 (Challengermode https://www.challengermode.com/))	Site 3 ((GamerCoach https://gamercoach.gg/)	Notes

Page8: Page Evaluation page

The screenshot shows a web browser window displaying the 'Service evaluation' page. The page has a header with the KS Arena logo, navigation links (Home, Services, About us), and user links (SP-DB, C-DB). The breadcrumb trail is 'Home > C-DB > Service evaluation'. The main content area is titled 'Service evaluation' and contains a 'Select Service :' dropdown menu with 'Select a service' as the placeholder. Below this is a 'Rating' section with five empty star icons. A 'Feedback :' text area is positioned below the stars. A 'Submit' button is located at the bottom of the form. The footer includes the KS Arena logo, contact information (phone and email), social media icons for Facebook, X, and Instagram, and a copyright notice for 2025 KS Arena.

Page9: Page Add a New Service Request

The screenshot shows a web browser window displaying the 'Add a New Service Request' page. The page has the same header and navigation as the previous page. The breadcrumb trail is 'Home > C-DB > Add a New Service Request'. The main content area is titled 'Add a New Service Request' and contains a 'Select service :' dropdown menu with 'Select a service' as the placeholder. Below this are three input fields: 'Customer Name :', 'Due Date :', and 'Request Descriptio'. A 'Submit' button is located at the bottom of the form. The footer is identical to the previous page, including the KS Arena logo, contact information, social media icons, and copyright notice.
